To Whom It May Concern:

I am pleased to write this letter of recommendation on behalf of Jessica Alsayegh. Ms. Alsayegh was a primary teacher under my leadership for many years. While I was the Principal at Sand Pine Elementary, I observed her instruction, planning, assessment and communication and have always been impressed at the high level of professionalism she continually displays.

I'm extremely comfortable recommending Ms. Alsayegh to my colleagues in Ohio as a valuable addition to your schools. Her passion for her students is exemplary, and she is able to successfully plan, deliver, and assess instruction. She comfortably worked within a team of teachers to meet the diverse needs of the students under her care. Her positive attitude, dedication, and organization have ensured her success.

Needless to say, Ms. Alsayegh is the type of person who can positively impact your classrooms. Feel free to contact me at the number above if you have any questions or would like to discuss any specifics of her performance.

Sincerely,

Todd Cluff
